

Privacy Policy of **Sax-O-Meter**

441 Lab ("We", "Our", "Us") has developed this Privacy Policy to help you understand how we collect, use and protect the information. We encourage you to read this Privacy Policy carefully so that you can make informed decisions about your use of our mobile application Sax-o-Meter ("the app").

By installing and using the app, you agree to this privacy policy and give an explicit and informed consent to the processing. If you do not agree, please do not install and use the app.

This policy is required because the MICROPHONE permission (android.permission.RECORD_AUDIO) is used in the app.

Any data from the microphone is used within the app only for the purpose of the app functionality.

We do NOT collect or share any of your Personal information.

We do NOT collect or share any of your non-Personal information.

We do NOT collect or share any of the data from your microphone.

Note that the app also include the android.permission.WRITE_EXTERNAL_STORAGE which is used only for the purpose of allowing the user to be able to save pictures generated within the app onto their device.

What personal information do we collect from the people that use the app ?

We do NOT collect any personal information.

Do we use 'cookies'?

We do NOT use cookies.

Third-party disclosure

We do NOT sell, trade, or otherwise transfer to outside parties your Personally Identifiable Information.

Third-party links

We do NOT include or offer third-party products or services in the app.

Google

Google's advertising requirements can be summed up by Google's Advertising Principles. They are put in place to provide a positive experience for users.
<https://support.google.com/adwordspolicy/answer/1316548?hl=en>

Google AdSense is NOT enabled in the app.

COPPA (Children Online Privacy Protection Act)

When it comes to the collection of personal information from children under the age of 13 years old, the Children's Online Privacy Protection Act (COPPA) puts parents in control. The Federal Trade Commission, United States' consumer protection agency, enforces the COPPA Rule, which spells out what operators of websites and online services must do to protect children's privacy and safety online.

We do NOT specifically market to children under the age of 13 years old.

CAN SPAM Act

The CAN-SPAM Act is a law that sets the rules for commercial email, establishes requirements for commercial messages, gives recipients the right to have emails stopped from being sent to them, and spells out tough penalties for violations.

We do NOT collect your email address.
